Choose the correct option to complete the statement according to the paragraph.

It was Miles's mother's 50th birthday. He helped his father to prepare a cake for her. After doing shopping, they started to make the cake. His father put all the ingredients in a big bowl. While Miles was pouring the whole mixture into the pan, he spilt it on the floor. Their surprise turned into a disaster because everywhere in the kitchen was covered with dough. Before his mother arrived, they had to make another cake, and this time they were lucky because it looked nice.

We can understand from the passage that

- A) they forgot to put sugar into the mixture.
- B) they poured all the mixture on the floor
- C) his mother was very happy with their surprise
- D) they added some extra ingredients to the cake mixture
- E) Miles stirred the mixture while his father was heating the oven
