Tapescript 10.3.1

Yesterday morning, I woke up very early because I heard a loud noise outside.
 First, I went to the window and looked out, but I didn't see anything.
 Then, I put on my jacket and went into the garden.
 While I was walking, I saw a small kitten hiding under a tree.
 It looked scared and hungry, so I picked it up and took it home.
 After that, I gave it some milk and bread.
 Finally, the kitten fell asleep on my bed, and I smiled — it was a strange but happy morning.
