**Interviewer:** What would you like to tell us about your hobbies, Rebecca?

**Rebecca:** Well, I'm very interested in arts and crafts, so I have some hobbies related to them. For example, I'm fond of making decorative items for home by using waste material such as jars, boxes and bottles, so I reduce my waste. In this way, I can do something useful for the world, and that gives me a sense of achievement. In addition, I enjoy designing and making dresses for dolls. I think that's good fun. And all my friends like those little colorful dresses. They say I'm very skilled at creating them. What's more, I like making jewellery a lot. In fact, it's my favorite pastime. I find it very relaxing. I can make very beautiful jewellery for myself and my mother. I would rather make earrings than rings because I love wearing different earrings. All these hobbies make me a more creative person.

### D. Read what Mahmut says and tick the correct column for the sentences (1-8).

"I love music so much that I want to be a musician in the future. Actually, music has been one of the most important things in my life since I was a child. When I was only 5, my parents noticed that I had a very good sense of rhythm, and then they bought me a toy drum. Soon afterwards, I could play many songs on the drum very well. When I was 7, my uncle bought a guitar for me as a birthday present. Next, he taught me how to play a few songs on it. Then I surfed the Net and watched many videos. After a short while, I could learn to play lots of songs on my guitar. Besides, I took a bağlama course when I was at primary school. I could play it very successfully at the age of 9. Since then, I have kept my interest in music, and playing a musical instrument is still my favorite pastime."
