Dear Margaret;

I am very busy lately with school and my hobbies. I take a Chinese language course and then I have to go home and do my homework. Every Friday, we have a Chinese quiz (a short quiz).

I am quite good at Chinese, but still it's very tiring. I often have to take a cold shower so I can concentrate on my homework. Also every Saturday morning, I enjoy jogging around the park. I like taking my dog, Pearl with me.

On Saturday evenings, I like watching soccer games on TV. My mum, Martha, isn't into doing or watching sports. She likes knitting and she is good at drawing on canvas. She knits every evening except Mondays. Because she watches her favourite docudrama then.

My sister, Lena, is interested in pottery. She makes interesting things with clay and dries them in the kiln not to be broken. She is also the member of a pottery club and she always goes there on Saturdays and Wednesdays. Well, I have to run. I still have homework to do and I can't do it if I go on writing to you, which I like doing.

Yours,

Agnes
