My name is Susan. I feel very happy because the summer is coming soon, and it is the best time of the year because it is hot, it doesn't rain and I am on holidays. This summer, I'm going to do a lot of things. In the morning, I will probably get up a bit later than I do in winter because I'm not going to school. After breakfast, I am going to do my summer homework and later, my brother and I are going to help my mother with the housework because she is on holidays too. Before lunch, and when I have got some free time, I will go to the park because there are a lot of trees and fountains, so it is cooler there. In the afternoon, I think that I will go to the swimming pool, so I will swim and sunbathe, but sometimes, I will go to the country to visit my grandmother. In the evenings, I am going to go out with my friends and we are going to do many different things. Perhaps, we will go for a walk, or we will go to the cinema or to the park, but it's sure that at weekends, we are going to have dinner to the burger bar or the pizza bar. It will be a fantastic summer!
