### Listening 1

Sophia Evans: Good afternoon. May I speak to Mr. Andrew Miller, please?

Mr. Miller: Speaking. Who's calling?

Sophia Evans: This is Sophia Evans. I've applied for the web designer position at your company. I received an e-mail asking me to call and arrange an interview.

Mr. Miller: Yes, Ms. Evans. Thank you for calling. Would it be possible for you to come in next Thursday?

Sophia Evans: That sounds good. What time would you suggest?

Mr. Miller: How about 10:30 a.m.?

Sophia Evans: I'm afraid I can't make it then. I have a project presentation that morning. Could we schedule it for the afternoon instead?

Mr. Miller: Let me see... Yes, I'm available at 3 p.m. on Thursday. Would that be okay for you?

Sophia Evans: Yes, that's perfect. Thank you!

Mr. Miller: Great. So your interview is set for Thursday, 21st of March, at 3 p.m. at our main office on Green Street.

Sophia Evans: Wonderful. Thank you very much, Mr. Miller.

Mr. Miller: You're welcome, Ms. Evans. Please bring your portfolio and a copy of your CV.

Sophia Evans: Of course. I'll bring both.

Mr. Miller: Excellent. I look forward to meeting you.

Sophia Evans: Likewise. Have a nice day!

Mr. Miller: You too. Goodbye.

### Listening 2

Daisy: Hello, Philip! How's it going?

Philip: Hi, Daisy! I'm doing great, thanks. What about you?

Daisy: I'm fine, too. So, what are you keen on doing in your free time?

Philip: I'm really keen on cycling and hiking. I think they're great ways to stay fit and enjoy nature. What about you?

Daisy: I enjoy reading and gardening. I spend a lot of time with my plants, and I find it relaxing to read in the garden.

Philip: That sounds peaceful. I'm good at camping because I've been doing it since I was little.

Daisy: Nice! I'm interested in photography. I often take pictures when I travel. I think it's fun to capture beautiful moments. I also enjoy travelling to new places.

Philip: That's cool! I'm gifted in computer skills. I can fix software problems and help my friends with their projects.

Daisy: Wow, that's impressive. I'm not that good with computers, but I am gifted in playing chess. My brother says it helps you think better.

Philip: I agree. They really make your brain work.

Daisy: By the way, are you keen on hanging out with friends?

Philip: Of course! I enjoy spending time with my friends, especially when we go cycling or hiking together.

Daisy: We both like activities that help us learn and connect with others.

Philip: Absolutely. I think we're going to be good friends!
