Dear Sir/Madam,

I am writing to complain about the concert held last Saturday in our city. The event was very disappointing. It started two hours late, and the sound system did not work properly. Moreover, the security staff were rude, and the food stalls were overpriced and unhygienic. When I asked for a refund, the organizers refused. I would like to receive a full refund for my ticket. I look forward to your response.

Yours faithfully,

Welcome to Discover Türkiye! Today, I recommend visiting Pamukkale, which is located in Denizli in southwestern Türkiye. It is famous for its white travertine terraces and thermal waters. One important historical site there is the ancient city of Hierapolis, which was founded in the 2nd century BC. Visitors can walk on the terraces and see the ancient theater and ruins. I strongly recommend Pamukkale because it offers both natural beauty and rich history in one place.
