  3. There was enough space for 24,000 people.
  4. The Library of Celsus was built in 117 AD.

**(T11.7.1)**

Welcome back to "Know Your Country"! Today we have three mystery locations. Listen to the clues and guess the landmark!

1 Galata Tower: This structure is located in İstanbul. It was built in the 14th century by the Genoese. It was used as a fire watchtower for many years. Legend says Hezarfen Ahmed Çelebi flew from here across the Bosphorus.

2 Mount Nemrut: This site is found in Adıyaman. It is famous for the giant stone heads on top of a mountain. These statues were constructed by King Antiochus I in 62 BC. It is listed as a UNESCO World Heritage Site.

3 Pamukkale & Hierapolis: This natural wonder is situated in Denizli. It is famous for its white travertines and hot springs. The ancient city of Hierapolis was built right next to it. It is known as the 'Cotton Castle'.

**(T11.7.2) Top 3 Things to Do in Cappadocia**

Welcome to Cappadocia! It is one of the most popular destinations in the world.

First, you must go to the Göreme Open Air Museum. It is a UNESCO World Heritage site. It looks magnificent and attracts thousands of visitors every year. You should definitely visit this place if you are interested in history and art. Make sure you take a photo of the Dark Church; the colors are amazing! Second, you have to eat Testi Kebab. It is a meat dish cooked inside a sealed clay pot. Don't leave without tasting this local food. Visitors can enjoy this dish in traditional cave restaurants.

Finally, you should book a Hot Air Balloon flight. You can watch the sunrise over the fairy chimneys. If you like adventure and photography, this place is perfect for you. It is a great way to experience the city. In short, Cappadocia has something for everyone. I highly recommend these activities to make your trip unforgettable. Have a great trip!
