Hi everyone! My name is Ali. I usually wake up at 7.00 and then get out of bed. I make my bed and clean my face. After that, I comb my hair and get dressed. Before I leave home, I check my messages quickly. I walk to school with my best friend. In class, I always attend classes carefully and take notes. During the break, I relax and chat with my classmates.

After school, I return home and do chores to help my family. In the evening, I plan my tasks and work on them. I highlight important words and repeat them to learn by heart. Finally, I go to bed at 10:30 and sleep peacefully.

Tapescript 9.2.2

Hi everyone! My name is Philip, and I'd like to talk about my daily routine.

I usually wake up at 6:30 every morning. After I get out of bed, I make my bed and clean my face. Then I comb my hair neatly and get dressed. Before I leave home, I quickly check my phone and sometimes recharge it. I usually walk to school with my sister, Clara. At school, I always attend my classes carefully and take notes neatly. During the break, I chat with my classmates and relax for a few minutes. After school, I return home and help my mother with chores. In the evening, I plan my tasks, highlight important words, and repeat them to learn by heart. Finally, I go to bed, read in bed for about 20 minutes, and then fall asleep.
