## (T.9.5.1)

Hello, I'm Philip. I live in a modern house in a quiet town.

My bedroom is on the top floor. There is a bed, a wardrobe, and a lamp in my room. It is very peaceful.

We spend a lot of time in the sitting room. There is a sofa and an armchair there. There is also a bookcase in the corner. We sit there, joke, and watch TV together.

Next to the sitting room, there is a dining room. There is a wooden table with chairs around it. We eat together there, and it is a very social place in our house.

The kitchen is on the bottom floor. There is a fridge, an oven, a dishwasher, and a cupboard in the kitchen.

There is also a garage under the house. My father's car is there. He repairs the car in the garage.

I love my house because it is close to the square. At the weekend, we cycle around the town and enjoy our time together.
