Chinese New Year is the most popular festival in China. All the streets and buildings are decorated in red during the celebrations. People perform dragon and lion dances in streets. They eat various traditional dishes like Peking duck. Many tourists come to our country for this festival. It's fascinating.

Marla

My favorite festival is Cinco de Mayo in Mexico. At this festival, red, white, and green clothes are worn. All the streets are decorated with balloons and flowers. We listen to music and perform our folk dances. We eat traditional dishes like tacos. We watch fireworks displays. We have a great time during the celebrations.
