4) Read the text below and answer the questions. (K.E9.5.R1.) (4x3=12)

Brian and Jack are brothers. They both have short, blonde, straight hair. They are slim and tall. Brian is 22 and Jack is two years younger than Brian. Brian is generous and likes helping people. He is hard-working and always does his best. He is also honest and tells the truth. Jack is different from Brian. He is shy and doesn't talk much. He feels nervous in new places and doesn't like meeting new people. Jack usually spends his free time playing computer games at home. Even though they are different, Brian and Jack care about each other and get along well.

1. How old is Jack?

.....

2. What does Brian look like?

.....

3. Who is not outgoing?

.....

4. What does Jack do in his free time?

.....
