Firefighters risk their lives to protect others.

You don't need superpowers like invisibility or time travel to make a difference. If you were more determined, you could achieve amazing things. If everyone showed kindness, the world would be better.

Charles: Easy. First, I wish I were a billionaire. I would buy a huge island.

Daisy: Boring! That's selfish.

Charles: Okay, what about you?

Daisy: I wish I could fly. If I had wings, I would travel to every country in the world without a passport.

Charles: That's cool. For my second wish, I wish I didn't have to do homework ever again.
